

## Wel come to Your Reunion Extravaganza

We have done our best to keep costs low so everyone can enjoy the reunion. The costs for each event doesn't have much calculated into the prices to provide for those "extra touches" that could make our reunion extra special. We will gladly accept donations to be used towards door prizes, decorations, nametags, etc. Also, donations are greatly appreciated to help us personally cover the website fees (those incurred over the past 3 years and those to come in the next 10 years), long distance charges incurred in locating the classmates, and postage and printing fees associated with this mailing.

When scheduling this many events, it takes a great deal of planning and preparation. You must RSVP with payment no later than June 15, 2005. Some events require a deposit and guarantee on the number attending weeks before the event so, NO LATE RSVP's for the Banquet Dinner, Full Moon & Brunch Cruises and Wine Tasting will be accepted. If you do not RSVP with payment by June 15th, you will not be able to attend – no exceptions!!! So please, respond as soon as you are able, as we want to see everyone there!

We have provided you with the option to pay for the events either with a check or money order OR via a credit card through Paypal. However each event costs a little extra if you pay by credit card. This additional charge is only to cover the fees we personally are charged on a per transaction basis.

Please make your personal check or money order payable to John Stanton.

We are excited to seeing all of you in July!

John and Susan Stanton
